Hello good afternoon Joe, Misty, Austin and everyone on board on the project I hope you are having an excellent day. I just wanted to inform you that Austin and myself went to the field and drew a couple of measurements for the new location of the Big Belly Trashcan on N Ave 57 and Figueroa street on the North West corner. We consider meeting ADA compliance and took into account Robert Gutierrez suggestions as well. In the diagram you will see a better

understanding of where we would like to place the trashcan. (NOT TO SCALE)

I would like to know if Joe, Misty and Austin are available to place the markings on Thursday September 28, 2017 at 9:00 A.M on N Ave 57 and Figueroa Street.

Can I have feedback on this so I can send an invitation Email to confirm the date. Thank you everyone and have a great day.
